

# Cheers!

Wine importer Hix & Buck is having a major trade push with its sparkling Chardonnay which boasts "a cheeky dose of XO cognac" and was named by Channel 4 as 'number four' in its Top Ten Xmas Drink list last year.

The unique Sparkling XO Methode Traditionelle from J&L Charlemagne is made using the traditional method, from 99% Chardonnay, but with one percent XO Cognac added, lending it the flavour of a very good Champagne.

Warm and rounded with a rich, buttery aroma it is an ideal fizz for Christmas and priced for trade at £8 plus VAT, per bottle. For more information call 0800 612 4742 or visit [www.hixandbuck.com](http://www.hixandbuck.com)
